

Summary of Congressional Comments Regarding
Southeast Asia - 27 July 1964

The Appendix of the CONGRESSIONAL RECORD of 27 July 1964 contained a newspaper article inserted by Congressman Roman C. Pucinski.

Mr. Pucinski, in inserting this article, stated that those Americans who are "so quick to sell our own country short in our efforts to deal with the problem in Vietnam" should analyze this newspaper article, which cites as one cause of the present problem in South Vietnam the ineffectual Canadian representation on the International Control Commission.
